Dear Mrs. Dias,

I am a man of integrity and after viewing the report by Fox news, I do not want to be apart of any political gamesmanship.

I was contracted to do a job, but before the work could be completed the officeholders transitioned. There was never any follow-up with me to complete the work as agreed upon.

Therefore, I have requested my bank to send a cashier's check in the amount of \$3,178 to refund the court and am severing all business ties with First City Court.

Sincerely,
